Gary --

We have reviewed the Draft Addendum and (no surprise) have a number of technical comments. We may also make additional comments on the FS in light of the Addendum. I'd like to send our draft comments to the Texas Trustees later today and give them a week or so to review. Would it be OK to send in our comments next week? I'm sorry for the delay, but it's important for the Trustees to have a chance to weigh in on this situation. Please let me know. Thanks so much!

Jane
