DELIBERATIVE PROCESS

All - the draft response to Mr. Bilott is with Bob Kaplan now. We suggested one edit to the letter, which I understand Bob will raise directly to the R3 RA. The attached response shows the edit in tracked changes. Please note that Bob may exercise some discretion to modify the edit or make additional changes that I am not aware of, so what I am attaching may not be what Bob ultimately shares with your RA.

Hi - It would be helpful to know whether Shawn sent the draft directly to Bob for review, or not, last Friday. Heather and I received the draft letter from R3 this morning during our team meeting call, and we can start routing through our management chains immediately. Thanks-Jacquie

Clarke Thurmon (OECA) is asking for a copy of the Bilott letter. Karen advises me that, as of last Friday, Renee Searfoss was okay with having it sent to R5 because it is basically done. May I go ahead and send it to OECA staff as well?

Jacquie,

Hello.
I was calling in from the train, but the line was full.
I am now in the office, but have a competing meeting that I should join.

Any updates on the Letter?

Thanks,
Clarke
