Hi Gary,

Have you finalized a date for the community meeting you mentioned was tentatively

scheduled for January 30 at the Highlands Community Center? It is imperative to community turn out that we have as much notice as possible. Two weeks is ideal. I am hosting a monthly coalition meeting tomorrow in Highlands and would like to give the community an update. We also have about 17 canvassers ready to set out on foot in Highlands and Channelview to inform the communities about the meeting.

Thank you,
