Legend & Instructions

The RPDIS team has prepopulated this table with question marks - these are our best guesses about where we think NERL Scientists can contribute.
Please see the legend for the notations associated with your changes.
If we've missed any staff feel free to add their names.
Though we are most interested in Output contributions, we have also tabs for RARE, PiP, SharkTank, RESES and other projects in the event you would like to add info for contributions too
Feel free to contact Gene with questions or consternations.

Legend

RPDIS Best Guesses on Contributions =	?
Branch Chief chats with scientist and confirms RPDIS suggestion =	X
Branch Chief estimate (non necessarily confirmed with scientist) =	x
Branch Chief or Scientist indicator that the scientist will not be contributing to an area RPDIS thought they might	/

Please note - this is not an accountability exercise, i.e. it is OK if someone doesn't have Output contributions.
