Sorry Amy, but we are now looking at the April 28, 2014, meeting for the Board to look at the San Jacinto site.
We are still working with the PRPs to add one more alternative to the Feasibility Study. Thanks CAS

OK Carlos – I'll add the site to the January calendar. We currently have 4 sites for that week and two of them are reviews with CSTAG. As usually happens some sites slip. If not some reviews will need to be postponed until the April meeting. We'll see how it goes.

Please check with your CSTAG rep, Steve Ells, or Matt Lambert to be sure if we need a 2-day meeting w/ CSTAG.

Amy

Amy,
For the San Jacinto site, the preliminary cost estimate for the preferred alternative is about $23.5 million. We would like to take the site to the Remedy Review. We should be ready for the end of

January 2014 time frame. The site is a former dioxin landfill that now partially on the San Jacinto river. We may need to include CSTAG in this review. CAS
