Back at work!

Here are the documents you requested Linda. There is no July 2013 Cap Inspection report. Due to budget constraints and travel restrictions I wasn't able to conduct an inspection in July of this year.

Valmichael,

When Congress gets it together and you can return to work, would you please send me the documents listed below? These documents are referenced in other documents relating to the FS, but we are unable to find them in our files. I'm really sorry about the shutdown; it is terrible. Thanks for your help, Valmichael.

- February 2013 Maintenance Completion Report
- post TCRA Inspection Reports from 2012, January 2013, and July 2013
