All,

Attached is a very draft list of outputs that were developed by the breakout groups in each of the three SSWR workshops. P[redacted]n

If you have any thoughts/concerns/feedback on the proposed list, please let me know.

Also, a big thanks to everybody who participated in the workshops, either in person or on the phone. NERL seemed well represented and I think your inputs were very valuable in getting the StRAP planning off to a good start.

Best,
Ann
