Dear Gentlemen:

Regarding the February 16, 2005 Gulfco Meeting, I wanted to reiterate the Superfund Division Director's statement that the deadline to sign the AOC for the RI/FS was on the close of business of Wednesday, February 16, 2005. Regarding your request to submit an alternative proposal to the RI/FS, any proposal that is submitted to EPA needs to contain a financial committment, a specific timeline for cleanup, and stated cleanup goals. If you have any questions, please contact me at the number listed below.
