Notes from the Enf. Mtg with Ben this morning

1) get with Chris Ruhl and found out when they are scheduled to interview people and sit in on the calls.
2) talked about the issue with the Pastor's son and medical condition
3) wants to know the status of the PRPs with a complete updated fact sheet on the Enforcement standpoint – schedule a briefing with him for next week.
4) if there is an imminent threat found, brief Ben immediately.
5) Keep Ben well informed of everything before it escalates to Carl.
