Hi Mr. Brescia;

I have been asked to look into the Chlorine release at Clean Harbors in El Dorado, AR, on 12/18/2012 from the Clean Air Act Section 112(r)(1) General Duty Clause aspect. I have a questions I thought you might be able to answer since you have been there. I need to determine if the release was from the a stationary source. Was the tractor trailer attached to a truck? Was it being used as storage or transport?

Thank You,

Dave Hensley (6EN-AS)
