**Re: San Jacinto River Waste Pits**

Dear Mr. Curry,

(b) (6)

I, [redacted] support full remediation of the San Jacinto River Waste Pits. The surrounding communities and environments of the San Jacinto River have suffered greatly from the effects of the San Jacinto River Waste Pits (SJRWP). The San Jacinto River is our backyard; a source of seafood, revenue, and recreation that bonds our community together. The Superfund Site's hazardous wastes not only threaten our health, environment and property, but our way of life.

I appreciate your help in this process and you taking the time to consider this letter. I look forward to guaranteed protection of human health and the environment by full removal of the Waste Pits.

Sincerely,

(b) (6)
