Bart,
The special notice letter is not with me. It was sent to me Friday afternoon, and I had another commitment that needed to go out on Friday, so I did not get to the notice letter. I emailed Linda Brewer yesterday, informed her of the above, and requested that she send the notice letter to Mark's acting supervisor for yesterday. I did not act for Mark yesterday, and am not acting for him today. Thanks - George

I am trying to track where this is and noticed your concurrence is missing. Can you please click in the eRouting link on this link, review, concur and forward to the next person. Enforcement plans were to get this out by the end of this week.

The site attorney Marvin Benton is working with the draft order that will be attached to the letter.

Thanks.
