SUBJECT: Transmittal of Review of the Site Investigation of Ireco Chemical Site A, Utah County, Utah, TDD F08-8812-02, PAN FUT01036GAA.

Attached is a review of the Site Investigation of Ireco Chemical Site A in Utah County, Utah. The report was prepared by Roy F. Weston, Inc. for the Bureau of Land Management.

As specified by the Technical Directive Document, the report has been reviewed based on the extent to which it satisfies the requirements of a pre-remedial site investigation (SI). In addition, the site has been evaluated based on its potential to receive a significant HRS score following the RCRA-regulated closure of the on-site burn pit.
