SEWER RENTAL CHARGES

Mr. H. P. Anderson, Supt. Sewage Treatment Plant, has recently reviewed the sewer rental charges being levied against several firms. After reviewing these charges with Mr. Anderson, it is my recommendation that the following changes be made:

1. Kroom Semi-Conductor Co. located on Ellis Avenue and Moffett Blvd.
   This firm should be changed from schedule "W" to schedule "Y."

2. Fairchild Semi-Conductor Co. located on Wolfman Road.
   This firm should be changed from schedule "W" to schedule "Y."

3. California Canserving Co. located on Franklin Street.
   Because of the high salt content in their sewage, this firm should be changed from schedule "Y" to schedule "Z."
