CITY OF MOUNTAIN VIEW

INTER-OFFICE MEMORANDUM

DATE: March 20, 1961

TO: A. M. McKinnon, Director of Public Works

FROM: H. M. Halbesma, Chief Building Inspector

RE: DISPOSAL OF URANIUM OXIDE

Attached you will find copies of the following correspondence we have in our files relative to the dilution tank to be installed at the Advanced Technology Laboratories, 369 Whisman Road:

1. A letter dated February 14, 1961 from this office to the Water Pollution Control Board requesting their comments.

2. A letter dated February 14, 1961 from this office to the Atomic Energy Commission requesting their comments.

3. A letter dated February 23, 1961 from Advanced Technology Laboratories to this office outlining the use of said dilution tank.

4. A letter dated March 13, 1961 from the United States Atomic Energy Commission to this office approving said installation.

5. A letter dated March 9, 1961 from the Regional Water Pollution Control Board to Mr. Grendon of the Governor's Office outlining their opinion.

This information is submitted to your office in accordance with Ordinance 175.638 which requires your approval prior to a permit being issued by the Building Inspection Division.
