SANITARY SEWER CONNECTION CHARGES

It is requested that an invoice be prepared and submitted to Sylvania Electric Products, Incorporated, (Attention Mr. E. B. Crosby, Business Manager) P.O. Box 188, Mountain View, California, for payment of $30.00 sewer connection fees.

The $30.00 fee is for installing a 6" saddle and sewer tap which was completed by City crews on November 1, 1963, and provides a connection for an additional 6" sewer lateral being installed by Sylvania on their property on Mountain View-Alviso Road. Existing facilities and front footage fees were previously paid on this property as per City of Mountain View Invoice No. 7451 dated July 3, 1962 and paid on July 5, 1963.
