Hey y'all, I am sorry I missed our check in this morning but wanted to flag three things in case they are helpful. Apologies if they were already discussed: 1. We are expecting Regan's vote on the floor Wednesday; 2. We are expecting Janet's committee vote on March 24th; and 3. the American Rescue Package, which is expected to be considered by the House tomorrow and passed into law soon thereafter, included 100 million dollars of mandatory funding for EPA. 50 million will be dedicated to certain activities under the CAA and 50 will be dedicated to EJ. We were involved in the drafting of this language and I will send around the final text soon.
