Gentlemen:

The City of Mt. View is in the process of annexing this property, and they will allow the service station to be connected to the City sewer that is in Sylvan Avenue. Will you please contact Mr. Arthur Daw in the City's Engineering Division and make application and pay necessary fee for the sewer connection. They will require a print of Sheet A with the application.

After the cost of the sewer connection has been obtained, please estimate the difference between the septic tank and sewer connection and advise if there will be a credit or increase.

Yours very truly,

E.R. MC CAUSLAND
