RE: Sewer Service to Tyrella Avenue
and Frontage Road

Attention Mr. Loser

Dear Mr. Loser:

On April 25, 1962 you wrote the City requesting a sewer main be extended to serve the subject property. This main has now been completed and a lateral installed to this property.

However, a search of our records indicates that payment has never been made for this sewer service. Therefore, enclosed you will find a sewer service application for this sewer lateral. Please sign the application and return it with your check, payable to the City of Mountain View, for the sum of $1,227.00. This charge is fully broken down on the attached application form.

If we can be of any assistance to you in this matter please feel free to contact the undersigned.

Very truly yours,
