On April 5, 2017, Sutter County Agricultural Commissioner's office received Report of Loss (PR-ENF-008) from Bob Amarel from Reason Farms for damage to 230 acres of almonds possibly from a pre-plant application to a tomato processing field across the street on February 3, 2017 or February 21, 2017. On March 21, 2017, Sutter County Agricultural Commissioner's office took samples which have been submitted to the lab; results pending. They also consulted with University of California Extension to confirm herbicide damage.
