Dear Ms. Thomas:

On May 16, 2011, we submitted nine (9) disks containing documents responsive to the documents and information requested in Paragraph 60 of the Administrative Compliance Order. Through our discussions, we learned that our production in this format was not entirely satisfactory to you and for that, I sincerely apologize. It was simply our intent to provide the universe of responsive documents to the EPA as expeditiously as possible and, given that the quantity of documents involved in this matter are rather voluminous, we believed that this was the most effective way of doing so. Following our discussions, we compiled an index of the responsive documents included on the disks which I am pleased to attach hereto. The index: (i) identifies each responsive document by Bates label; (ii) shows the number of pages for each document; and (iii) identifies the subsection of Paragraph 60 to which the document responds. If you require further refinement of this list, please let me know.

As I indicated in my letter of May 16, 2011, many key documents were already submitted in our initial Work Plan on April 27, 2011. Please note that we are continuing to gather documents responsive to this request and will supplement our production, as needed.

Please contact me should you have any questions.

Very truly yours,

DAVID L. BRAVERMAN
