Elizabeth and I talked with Jeff today. He explained that the "only Pebble" approach was coming from Bristol Bay United, and he has concerns about what they are advocating. We can discuss further if you would like….We also asked him to call us and not our clients if he wants to discuss his concerns. Thanks. Cara

Subject: Calls From Jeff Parker

I received a VM from Jeff, just asking me to call back but Heather told me the following "I've got a VoiceMail from Jeff Parker, saying he wants to discuss having heard that we're considering taking an approach that addresses only Pebble & the concerns he has with such an approach. What is our policy/practice with regard to responding to such calls/inquiries? " I told her to have him call Cara or Elizabeth.

My concern is that he seems to hear far more than he should. Thoughts, suggestions?
