Am soon to send to the broader group a revised timeline. My boss asked for the following:

8:00 a.m. - meet at our office

8:15-9:00 a.m. VTC to Fairbanks with Cory Borgeson/GVEA.

9:00 a.m. - Depart for airport. We'll still work with TSA for you.

So, this doesn't have much chit-chat time between them. I would expect Sen. Begich will probably be in a mood to talk Pebble, what the administrator is thinking, timelines for a decision, and how to talk that out with various admin folks.

BTW, there's some chance that Cory may travel down to Anchorage for a face-to-face meeting with the Administrator instead of VTC. He's going to think it over a bit. I talked to him for about 15 minutes to get him up to speed on what/why we'd asked for the meeting, how it would play out, etc. It doesn't really change anything on your end.

Let me know if you need more.
