I agree with Arvin on scheduling this. I would like the Region to be connected by VTC for the meeting if possible.

Hi guys,

Can we please try to get this on the books with the Administrator? **Ex. 5 - Deliberative** **Ex. 5 - Deliberative** I'd staff it from the HQ side, along with someone from OW and ORD.

Thanks!

Hi Arvin,

I apologize but I misspelled your last name and the email kicked back to me. Here is the email regarding the request to meet with the Administrator and info on Anglo American. All my best,

Wayne

Hi Arvin,

It was great talking with you this morning. As we discussed, I'm attaching our October 8-10 (whatever time is convenient for the Administrator) meeting request with the Administrator. Although we were not able to meet separately with the Administrator on her recent Alaskan trip, we did discuss meeting with her in DC. Regional Administrator McClerran and the Administrator were both supportive of meeting separately in DC and we hope to formally introduce Bristol Bay United to the Administrator and discuss our organization, along with our goals and objectives, relative to EPA's Watershed Assessment and potential future action. We will also be meeting with Congressional members and planning to meet with White House staff. I will keep you informed as our schedule becomes more firm. In the meantime, please let me know if you need any additional information.

On a separate note, Anglo American announced this morning that they are withdrawing from the Pebble Partnership. Here is link to that announcement:

I look forward to hearing from and seeing you soon. Thanks again for all your help and I hope you have a great day!

All my best,

Wayne Nastri
