5658.2 Regional Tribal Operations Committee letter.pdf

Good afternoon!

I am attaching two additional Bristol Bay comment letters from Native Alaskan entities.

One is a letter from Geoffrey Y. Parker, the legal counsel to the tribal councils of Nondalton, Koliganek, New Stuyahok, Ekwok,

Curyung, and Levelock. The other is from the Tribal Caucus Members of EPA Region 10's Tribal Operations Committee, on behalf of the tribal government representatives of the RTOC.

Regards,
