Subject: FW: Meeting with Sportsmen, Commercial Fishermen, and Alaskan Native Leaders with the Bristol Bay Native Corporation

I left Noah a vm describing the meeting as a listening session for EPA with no breakout sessions or handouts or presentations. I will let you know if more is needed.

Rick:

This is a listening session. No materials are necessary. As you know Bob S and Bob P are very up to speed on the BBA and will know exactly what to say to this group.

I am not aware of any break-out sessions.

-Palmer

Hi Palmer,

I received the following request/instructions. See the highlighted text. I think it came from Noah Dubin who is a special assistant in OITA. Is this meeting going to be something more than a listening session like we have done in the past? Will we be compiling materials for distribution to the visitors and having break-out sessions? I don't see references to that in their meeting request. Do you have any insights? I suppose I will call Noah but it would be helpful if you know what the expectations are for this meeting.

Thanks

Rick

Hey Matt and Kendra,

I spoke w/ Marissa over here in our tribal affairs shop and Don in Sussman's office, and we think it would be good for us to dovetail our efforts on this meeting. Will R10 be responsible for compiling materials/reaching out to the other relevant offices (OITA, ORD, OW, OGC) to see if they have any input? Feel free to differentiate whether you'd be doing this w/ *just* the broader meeting or if you'd do it w/ both the broader one *and* the breakout sessions that they've requested.

It sounds like Sussman/Don will be responsible for setting up a pre-brief, FYI.

Thanks!
