Attached are some further edits mostly grammar, but some comments on wording I am thinking could be deleted Not sure if my edits are differentiated from the edits on the copy I received, so sorry for that.

ATTORNEY-CLIENT COMMUNICATION

I am attaching a response to the two May letters from John Shively. Jeff Frithsen had sent out a partial draft for review on 6/12, and my updates and additions are in red-line. This CMS response is significantly overdue so I'd appreciate any comments on this draft by COB Weds 7/31. Thank you.

I am also attaching the incoming PLP correspondence for your reference.
