Sirs. May 28, 2017

I am asking your agency to, if possiable, to relay to me the following -

Long term effects; exposure to exceeded limits of the chemicals - Fluarinated organic chemicals - PFOS and PFOA

To what limits are unclear at this time, to relate; I was incarsurated at Airway Heights Correction Center 2010 - 2012 and have consumed food manufactured at the Airway Heights Food Factory for at least 9 years.

I have been informed your agency has investegated the contamiated water of the City of Airway Heights Washington, which the Food Factory recived water along with the incarsurated population.

If you could help in any way, or give me the correct agency to contact would be very helpful.

Thank you
