Dear Sir:

LTR #94

As per your letter of April 12, 1977, please find the requested OSHA forms enclosed. Also, this is to serve as our certification that none of the products mentioned in your letter (CW-50, #5561 XG, FarBest #2, FarBest 650, FarBest 472) are regulated or restricted articles for shipment by surface or air transport.

I trust this will satisfy your requirement.

Sincerely,
