TRACKING INFORMATION

Legend — Type of Medical Waste
**B** - Biohazardous Waste (Red Bag and Sharps Waste)
**S** - Sharps Waste Only
**C** - Chemotherapy Waste (Trace)
**P** - Path (Human Tissues) Waste
**R** - Other/Special - See Remarks

**NOTE:** Weight shown in Column "A" are reasonable estimates only, used for waste tracking document requirements, and cannot be used for invoicing purposes.

**NOTE:** Weight shown in Column "B" is exact weight of waste (less tare weight of rigid container), can be used for invoicing purposes. Weights are taken and determined at the T.C.I. Facility by a certified deputy weighmaster on weighmaster certified/permitted scales.
