(Maureen- put this on ORC letterhead… and attach the PRP Search Report we got from the contractor.)

Date: March xx, 2018

Subject: Verification of PRP Completion for the Odessa Biodiesel Site, SSID # 10NV, CERCLIS ID #WAN001001366, located at 206 W. Railroad Street, Odessa, Washington

From: Maureen Wojewodzki, Cost Recovery Specialist

Dean Ingemansen, CERCLA Unit Manager, Office of Regional Counsel

To: Sheryl Bilbrey, Director, Office of Environmental Cleanup

Site File

The purpose of this memorandum is to verify that as of March xx, 2018, the Region can attest that all reasonable PRP search tasks have been completed at the site (b)(5) attorney-client, (b) (7) (E)

Attached is the PRP Search Summary which lists all PRP search documents that were used in making this determination and their respective locations. Questions regarding this verification or the contents of the attached reference summary should be addressed to the Regional Cost Recovery Specialist, Maureen Wojewodzki.
