WORK PLAN APPROVAL –SAMPLING AND ANALYSIS PLAN SUPPLEMENT NO. 3, SAMPLING AND ANALYSIS SUPPLEMENT, ADDITIONAL SOIL GAS SAMPLES, PARCEL C, FORMER C-6 FACILITY, BOEING REALTY CORPORATION, LOS ANGELES (FILE NO. 95-036)

Dear Mr. Mossman:

We have received the "Sampling and Analysis Plan Supplement No. 3" (Work Plan) prepared by Haley & Aldrich, dated February 22, 2001. Regional Board staff verbally approved implementation of the Work Plan during a meeting on February 7, 2001, and this letter documents that approval.

The Work Plan presents the proposed procedures for installing five additional soil gas probes and the collection and analysis of additional soil gas samples to further define previously detected soil contamination. We have completed our review of the Work Plan and approve its implementation. Please submit one copy of a report presenting the results of the well destruction by December 31, 2001.

Please call me at (213) 576-6737 if you have any questions.

Sincerely,

John Geroch
Associate Engineering Geologist
Site Cleanup Unit I
