Correct, I have the 2nd half 2021 report but didn't get to download the 1st half 2021 report before the link expired. If you send a new link, I can download it now.

Hi Virginia! To confirm, you received the 2nd Half 2021 report I sent in February and just need the 1st half from last August? I tried a lot of different things to make the files smaller, but the Docusigning combined with the quarterly 100+ CEMS reports proved to be too much
Thanks,
Cameron

Hi Cameron, I was on maternity leave last summer and did not download the report when you initially sent the link. It is now expired. Could you resend it to me?
