Per discussion just now with SD & BB – OGC's edits have been passed

on to OAR/sharepoint.

Per an email from Josh Lewis Tuesday, there are a bunch of outstanding edits responding mostly to OMB policy issues.

OP requests that we find a time today or tomorrow for the team on this email to go through the remaining issues (Erik, I'm including you in case OP/Mandy need counsel on the pending litigation, but I understand if you can't make it).

It would be good to close this out tomorrow, which I understand is AS's last day as the OIRA desk officer.
