Shades of Seattle solvent dump sites identified as of 9/10/99.

9/24 **Intersection of Fale Road and Downs Road on the west side of Highway 522 in Snohomish County.** Several containers are located on a vacant lot next to an abandon house on the south side of the intersection of Fale Road and Downs Road, on the west side of 522. EPA/CID was told that as many as 60 containers may have been dumped at this location.

* # **North of 180th on the Bothell-Everett Highway near Mill Creek**. Over 50 five-gallon containers have been dumped behind an abandon car wash on the west side the Bothell-Everett Highway, just north of 180th.

- **20245 Redmond-Fall City Road near Redmond.** Approximately 30 five-gallon containers of solvent have been dumped on the property. A dump site was discovered at this same location on June 10, 1999, and the waste was cleaned up by EPA contractors.
