Thanks Mike. I left a message for Shu-Fang Orr and will give her your contact information. And ask she contacts you. But just in case, this is her contact information.

Also, at the request of DTSC, we did sample two of the closest drinking water wells to the Site last week, and they were both non-detect for pCBSA.

Montrose agrees to the request to allow a well to be sampled for pCBSA. Please coordinate this activity thru me.
