Nancy,
It was totally unclear to me as to who is setting up the audio bridge. So, I set up the following teleconference bridge for us for today 12:00 HST, 2:00 PST.

Callers in Honolulu call 956-5617, the Maui and mainland callers dial 808-956-5617, all callers then enter the password 0505 followed by "#". There is no initiating required as the first caller to call in can start the conference.

Total Telephone Ports: 7
Date: Nov 10, 2011
Start Time: 12:00 pm
End Time: 1:45 pm

I hope this is enough connections? I added Meghan Dailer (dailer@hawaii.edu) to the list to handle field monitoring questions, and 7 ports includes me.

Let me know, please.

Craig
