Steve:
I had only one correspondence with OMB regarding the CCR rulemaking during Oct2009 to May2010 and April2012 to 15January2014.
I am forwarding that single correspondence below.

From: Mark Eads [mailto:Eads.Mark@epamail.epa.gov]

Subject: 2 action items from EPA's CCR RIA briefing

Cortney:

Below are the two items you requested in my briefing on EPA's RIA for the RCRA CCR proposed rule:

1. Capital and O&M cost breakdown (this is not contained in the RIA):
(See attached file: Capital O&M costs - CCR RIA.doc)

2. Journal paper containing air pollution $/ton unit values (referenced in footnote C on page 56 of the RIA):
(See attached file: Fann et al (2009) - air pollutant $ per ton.pdf)
