Here is the revised draft. Should we send it to Debbie for review too?

I agree with Ann's changes as well.

Thanks Ann! I agree it would be good to specify SCR or equivalent related to the 0.07 limit, and to specify R9 and HQ met with stakeholders. I'll make those changes shortly. Hope all is well in KC!

I made some minor changes and had a couple of questions.

I will be working this morning until 11:00 here (9:00 PDT), then back again around 1:00 (11:00 PDT).

Subject: Action memo

Hi Colleen and Ann,

I used a previous action memo I had done as a template (FCPP notification date extension) for the Final Action memo for NGS. It is pretty short and not very detailed. Please let me know if you have any revisions or comments! I am only attaching the JB to GM action memo, the DJ to JB action memo is identical anyway.

Thank you!

Anita
