Hi Janet and Tom,

In case your weekend doesn't include sufficient excitement from fireworks and Fourth of July parades, I'm sending along the NGS Final notice for your review. It has been reviewed by OGC and OAQPS.

As Janet and I discussed, it is important to issue the final notice in July, and I'd strongly prefer to do so before the last week of the month if we possibly can. We have prepared a communication strategy and would be happy to send that along early next week. Let me know if/when you would like us to arrange a call to discuss anything.

Have a great holiday.

Debbie
