RCRA RECORDS C
FACILITY MACDERMID
ID NO. CTD001164599
FILE LOC. R-13
OTHER RDMS# 100775

oil release may not be in the right place

AOC A - sludge or contaminated soil went in there

lagoon sec. indust WW
when stopped this, took sludge/soil or both
& took to AOC A (1978 - 79)
1986 added asphalt cap.

Cautioned Rich on moving ahead w/ no Sampling Plan QAPP etc.

will send maps lab reports + receptor survey

will call Monday let me know what option McD selects

option 1 - give all by 19th & meet on 23rd

2 - install new wells & sample & get report to us by in interim

by April - 20th & (27th meet) (too soon! move off 1 week)
