I think this looks great. We can run this by Debbie along with the final communications strategy, then talk to Jared about it Monday afternoon. We have time with him at 3:30 (but only for half an hour and we have to cover NGS plus the NPCA visit on Tuesday 7/15).

I made that last change to paragraph 5. A clean version is attached.

Thanks,

I think I added it to the paragraph above.

Last paragraph does seem a bit odd. I just broke up the long paragraph in this version.

Do you want to send us a clean version and Niloufar can import it into the comm strat?

We haven't sent the comm strat yet for her review. We could include the PR so she can see everything together.
