Subject: Draft Final FRN for NGS

Hi All,

Attached is the draft FRN for the final action for NGS. Revisions are still in track changes, and there are a few comment bubbles that provide some explanation of how we responded to a comment from Janet. As you know, I'll be out next week, so Ann will be making any final revisions to the FRN to incorporate comments from Rick Vetter and Debbie, cleaning up all the track changes stuff, and printing it out for the concurrence package. (Thanks Ann!!)

Please let Ann know if you have any further edits before noon on Monday. (I am hoping she can print it out before 1PM, so that Debbie can get the package to Jared around 1PM, so that Ceciley can get it in the mail by 2PM).

Ann, I might have forgotten to ask you to email a copy of the final FRN to Ceciley, so that she can load it to the CD.

Thanks so much! Getting closer . . .!

Anita
