Hi Elizabeth,
Friday looks like the best time this week for me. Does that work for you?
Thanks!
Tamara

Hello, Tamara. Let's schedule a time this week or next to talk further about this. I would be happy to send out an information request, but I'd like to talk with you about the specific information you would like to seek. Let me what times you have available.

Good morning,
As a follow up to our meeting on Thursday September 26, 2013; DEC would like to ask for assistance in requesting financial information from Flint Hills Resources. Because the current efforts being conducted by Flint Hills towards site characterization are not part of a formal legal agreement, a request for financial information from DEC would likely hinder the progress of these efforts.

We appreciate all the feedback you provided during our meeting last week and are looking forward to working with you on this project.

Sincerely,
Tamara
