Subject: Latest Version of Scoping letter?

To: Curtis.Jennifer@epamail.epa.gov

Hi Jen,
I will be helping Mark with providing tribal related scoping comments on the Donlin process and I would like to see what our latest letter looks like (Tribal, EJ, TEK, other tribally relevant info). Do you have the most recent version in a word form?

I think the NMFS EIS would have been the most recent that would have been relevant, but I might be wrong on that.

Thanks! Tami
