Looks like there's two meetings on October 14 – SSFL and one on "Blood lead levels and clean uP".

So I'm confused……..

I think it's a different meeting. Looks like this Friday meeting is for Exide, not SSFL (which is the 14th).

Subject: Quick Question

Hey Enrique and John,

Wanted to check in with you about a meeting between DTSC and US EPA Region 9 set for this Friday from 1 to 3 in Sacramento to discuss four issues (pasted below). Dan Meer, Deldi and David Yogi are on the mtg invite. Since this mtg includes issues that y'all have talked about, I just wanted to flag the mtg for you. I'll also be in attendance.

Thanks, and hope that your week is going well.

Grant

Issues to Discuss at DTSC – US EPA Mtg

1. The 83 residences with >1200 ppm lead and children present and how we might address them on an expedited schedule

2. Organizational structure and when there will be names in the boxes on the org chart

3. Improving community involvement and public outreach

4. Time Critical Removal Actions criteria
