Felicia -

here are the letters + attachments - I did not do a separate instructions page for the Information Requests because all those instructions are contained in Questions 1, 2, + 3 of the Requests. If you want a separate instruction sheet, let me know + I will take out 1, 2, + 3

For oversight costs, lets just cut off part of the original Paragraph X by putting a period after "Consent Order" on line 5 + deleting everything else in that para. The instructions on when + where to pay, etc are in the Para on Reimbursement of Costs.

Call me if you have any questions
