Documents and Reports

- To search an on-line database of all documents and reports on the Dimock site, go to EPA's Administrative Record Database.
- All documents and reports can also be reviewed in person at these locations:

Susquehana County Library, Montrose Branch
18 Monument Street
Montrose, PA 18801

U.S. EPA Region III
1650 Arch Street-6th Floor
Philadelphia, PA 19103
(215) 814-3157
Call for an appointment.

- **Raw Lab Data**
  This link will bring you to the raw groundwater data collected during the Dimock Residential Groundwater Site sampling events. Due to the large number of FOIA requests for this information, EPA is providing this link for easy public access. The data is without narrative or conclusive summations.
- **Submit a FOIA Request**
  Get instructions on how to submit a FOIA request. Fee for requests over 100 pages.
