2. all other "past costs"
   → how to certify one will come in ?

3. future response costs
   v.
   future oversight costs ?

1. Past Costs
2. Future Costs

---

how soon FY 92 ?

1. certification that all costs expended before FY 93 has come through and is known by EPA

2.

*timing of the costs is when EPA pays them; this has no relation to when work was done
