Subject: Derry NH permits

Happy Manday,

Onestop is down again.

Therefore, id like to respectfully request this email be handled accordingly and urgently.

I'd also like to respectfully request that you provide me with the permits for Eversource's work in Derry NH.

ANY AND ALL PERMITS that would allow Eversource to do work in Derry NH.

ANY AND ALL PERMITS and/or notifications that NHDES has on file to which gives them the authority to dump truckload after truckload of whatever fill into Shields Brook impaired prime wetlands/outstanding resource waters and atop a major aquifer.

ANY AND ALL PERMITS giving them the legal right to install new sizable/considerable UPGRADED utility assets/energy facilities in new locations opposed to their lawfully located and original positions

THAN....

ANY AND ALL AUTHORITY giving NHDES the legal rights to allow them to construct new sizable energy facilities, with rate payer money, ahead of and necessary for, the New England Clean Energy Connect.

Dear Mr. Costello,

The Land Resources Management Program
Utility Maintenance Notification, file # 2019
issued to Eversource.

Your request and the file have been forwarc
Permitting Office. They will contact you req
